## BESPOKE BROWS

Your Bespoke Brow treatment with Jo will start with a full consultation to discuss your desired brow style. Jo will then 'map' your brow using a combination of tinting waxing, threading, tweezing and trimming to create your bespoke brow. Your brows will then be beautifully finished using a selection of luxurious finishing products. Jo will also show you how to keep your brows looking fabulous everyday and if your brow hair is sparse she will suggest a regrowth program and show you how to "fake the look" until your brows grow into your desired style.

## SKINPEN PRECISION®

SkinPen organically stimulates the skin's natural ability to repair itself. As we age the natural architecture of our skin deteriorates. This deterioration leads to fine lines, wrinkles, large pores and uneven skin texture. SkinPen comfortably creates thousands of controlled micro-injuries in the skin to trigger the body's natural wound healing process. This process results in the formation and re modelling of Collagen, which supports the underlying tissue.
